SPENDMEND

Medical Equipment Resale

Resell, Redeploy, or Recycle with Confidence.

A Commonly Overlooked Opportunity

Health systems across the country are sitting on millions of dollars in unused or outdated medical equipment. Whether it's stored, replaced, or forgotten, much of it still holds value—but often ends up collecting dust or going to waste.

+Mazree
BY SPENDMEND

The Solution: A Smarter Way to Resell Equipment

Mazree by SpendMend is a cloud-based auction and asset management platform designed specifically for hospitals and IDNs. It simplifies how you manage surplus medical equipment—whether you're selling, redeploying across your system, or comparing trade-in offers.

Mazree helps you recover value, increase sustainability, and make smarter decisions about your assets. It also delivers full audit trails for compliance and ensures no medical equipment ends up in a landfill.

How It Works

1. List Your Equipment

Upload images and descriptions from desktop or mobile.

2. Redeploy Internally

Prioritize transfers to other locations.

3 Get Competitive Bids

Tap into one of the largest specialty buyer networks.

4. Complete the Sale

Mazree manages payment, pickup, and compliance.

5. Track & Report

Use real-time analytics to monitor performance and track ROI.

Benefits Of Using Mazree

- **Maximize Equipment Value:** Access a national network of verified, high-intent buyers.
- **Minimize Workload:** We handle warehousing, deinstallation, pickup, and logistics.
- **Data-Driven Insights:** Track resale performance and forecast asset needs.
- **Compliance & Transparency:** Every transaction includes a detailed audit trail.
- **Sustainability Built-In:** Redeploy, resell, recycle, or donate—nothing wasted.

Why Mazree by SpendMend?

Mazree is trusted by leading IDNs—including Intermountain, Providence, and St. Luke's—to help maximize the value of surplus medical equipment across their systems.

- **Software:** Best-in-class software, combined with a mobile app, and advanced analytics for buying and selling medical equipment.
- **94% Sell-Through**: The vast majority of listings are sold quickly and efficiently.
- **Outperforms Trade-Ins:** Mazree consistently generates more than standard OEM credits.
- **Built for Healthcare:** Aligns with asset management, compliance, and accounting workflows.

Getting Started with a Mazree by SpendMend

There's no long setup or steep learning curve. Create your account, upload your equipment details, and let Mazree handle the rest—from marketing to payment and pickup. Whether you're replacing a full fleet or clearing out a few storage rooms, Mazree makes it simple to recover value.

Ready to Recover Value from Your Medical Equipment?

Let's talk about how Mazree by SpendMend can help your system free up space, recover capital, and support smarter, more sustainable asset decisions.
